AGRICULTURAL 1-D-1 OPEN SPACE AND WILDLIFE MANAGEMENT

Because of Senate Bill 771 there is a temporary recession of agricultural use during the drought. Qualified open-space land does not become ineligible for the special appraisal when a drought is declared by the Governor. The Governor has declared the necessity to cease agricultural use for longer than normal time period. We will work with our farmers and ranchers during the drought.

If the Appraisal District is within a 5% percent margin the State Comptroller will certify the local value to the Commissioner of Education. The findings of the study are used in the school funding formula for state aid. Cottle CAD has received local value for all school districts.
